On behalf of the Committee and Members of the Burnie Athletic Club (BAC) we wish to express our sincere thanks to all who contributed to the success of the 137th Cool Ridge Burnie New Year's Eve Carnival.

WINNER: SAYE MORRIS

MEN'S GIFT

This carnival would not be possible without our loyal corporate partners who have continued to demonstrate their strong and enthusiastic commitment to this historical event. BAC believes this is yet more evidence of why we succeed in Burnie, the City of Makers, and why this Carnival can continue to grow and become more relevant to our younger generations.

We thank all 440+ athletes, their coaches, managers, and supporters who participated in the Carnival and congratulate the winners for their fine performances and sportsmanship. Thanks to the valuable contribution of the Burnie City Council and staff for their continued support and professionalism in the preparation of the arena.

In addition, the BAC recognises and says thanks to the substantial support of the New Year's Eve program given by:

- Tasmanian State Government through Events Tasmania
- Tasmania Carnivals
- David Dennis Advertising
- Richard Welsh and Epic Events & Marketing
- Tasmanian Axemen's Association officials and volunteers
- AusCycling (Tasmania) officials and volunteers
- Tasmanian Athletic League officials and volunteers
- All our numerous dedicated volunteers, service clubs, providers, and vendors

Fundamentally BAC is driven by our Objectives and Purpose enshrined in our Constitution which states that in recognising that the competitive sports are exhilarating for spectators, the core purpose of community events such as the Club promotes, should be to inspire the wider population to become active and adopt healthy lifestyles choices through either organised sports or personal pursuits which instils fitness and wellbeing.

And last but by no mean least to our great patrons and supporters whose noise and enthusiasm brings the Carnival to life.

We look forward to seeing you back at West Park in 12 months' time.

Steve Arnol, Acting President of the Burnie Athletic Club Inc
