WELCOME

As Chairman of the recently appointed Board of Directors of the Burnie Athletic Club Inc (BAC), it gives me great pleasure to welcome one and all to the 138th Gatorade Burnie New Year's Eve carnival.

As outlined in the club's Constitution, part of our mission statement is to promote, and foster, community events on the North West Coast. We aim to inspire the wider population to become active and adopt healthy lifestyles, and to experience and enjoy the spirit and camaraderie which participation in sport brings.

Today's carnival mixes the best of 138 years of tradition, including world class participation in athletics, track cycling, and wood chopping. From the time honored and prestigious Burnie Gift, for both men and women, the Tasmanian Open Mile, the exciting and sought after titles of Wheel Race and scratch event champions, to the world class chopping events, the day attracts the presence of Olympic and Commonwealth Games medallists, world champions, and a host of international, mainland, and home-grown Tasmanian competitors.

As one of the more 'recent' additions to the carnivals program, this year marks the 30th running of the Women's Gift. It is fitting, much appreciated, and pleasing that today's' carnival will be officially opened by a local superstar and popular winner of FOUR Gifts, Morgan Gaffney.

The carnival would not be possible without the generous support of our corporate partners, many of them long standing, and all much appreciated. We thank them for their strong commitment. PepsiCo, Gatorade, Elphinstone Group, William Adams, United Forklift and Access Solutions, Direct Edge Manufacturing, Coastal Engineering & Belting, Stubbs Constructions who remain our long term Major Corporate partners.

BAC also recognises and thanks the support and participation in our carnival program given by:

- Tasmanian State Government through Events Tasmania
- Burnie City Council
- Tasmanian Carnivals
- David Dennis Advertising
- Tasmanian Axemen's Association officials and volunteers
- Auscycling officials and volunteers
- Tasmanian Athletic League officials and volunteers
- All of our dedicated volunteers, various club committees, and our members

Their expertise, dedication, and hard work have ensured what will be another great day to remember.

A sincere and very warm welcome is extended to all competitors and support staff. Best of luck to all and may your memories of this day be long lasting and enjoyable.

Finally, but by no means least, thank you to our spectators and patrons for your attendance. Enjoy the day and the competition, marvel at the fireworks, and take with you our best wishes for 2025.

Happy New year to all.

Joe Vaszocz, Chairman, BAC

TasCarnivals Series 2024-25
Foreword by the Honourable Nic Street, Minister for Sport and Events

Tasmania's sports carnivals are a hallmark of the Christmas-New Year season. It's a great time of year in our magnificent state and what a fabulous opportunity to see some of the best compete around the State.

Our carnivals are held with great affection and have produced many incredible sporting moments and some lasting memories. It is pleasing to see that under the careful stewardship of its passionate organisers and volunteers, the series continues to forge ahead.

The Tasmanian Government is proud to have invested $300,000 per year to help support the TasCarnivals series. It is always a pleasure to see young Tasmanians pursuing their sporting ambitions and seeing them succeed in National and International competitions.

We recognise the enormous value of the carnivals, not just economic, but for social connection and togetherness, particularly in our regional communities. The Series contributes to the tourism industry, builds community, improves social and emotional wellbeing, and also increases participation in sport and recreation.

The Series also has cultural and historical significance. For example, the Burnie Gift first ran in 1885 and is one of the longest-running, continuous sporting events in the history of world sport. This year the Tasmanian Christmas Carnivals series is boasting more than $150,000 in prizemoney.

Tasmania has a long and proud history of producing world-class cyclists, for delivering athletes on the track who can mix it with the best, and for being a powerhouse of woodchopping. This year's carnival series will kick off on the West Coast with the Rosebery carnival hosting its own unique drawcard – a rock drilling competition that sits nicely alongside the chip-flying action of the woodchopping, the spinning wheels and pumping legs.

Bikes and Spikes in Hobart makes for some great entertainment in the capital just after Christmas – with the promise of an event every four minutes – before the cyclists take centre stage at Launceston's Silverdome. Can't wait to see you there! Then it's on to Devonport for a packed program including the women's and men's Gifts and Devonport Wheel Races before the cyclists take over again on the streets of Ulverstone in The Criterium.

Burnie is the place to be on New Year's Eve. Professional sprinters across Australia covet the Burnie Gift, the Burnie Wheel race always captures the attention and the woodchopping arena promises to be action-packed!

The series wraps up on 20 January in St Helens where everyone gets the chance to finish on a high. Each event is guaranteed to deliver something extraordinary. The Carnival is expecting a huge field of exceptional athletes.

We know events like this take a power of work behind the scenes and the longevity of the TasCarnival Series is a testament to the dedication and skills of the many people involved in planning, preparing, and officiating the events.

Without the work of volunteers, the event would not be possible, and I want to thank the volunteers whose hard work and passion make the Series happen each year.

My best advice this summer is don't just go to one carnival – get to as many as you can!

I wish all competitors the best of luck and encourage all Tasmanians to support and enjoy the TasCarnivals Series.

History of the Burnie Athletic Club, Burnie Gift and the New Year Sports Carnival

The Burnie Athletic Club organised its first carnival on the South Burnie ground on New Year's Day 1887 when Burnie's population was about 1,000 and for the first couple of years continued with a picnic entertainment programme.

The first 130 yard Sheffield Handicap, the event that became the Burnie Gift and the blue – ribbon event in Tasmania, was staged in 1889.

In 1915 the Burnie Athletic Club moved to West Park and hosted the 1915 New Year's Day Sports Carnival. The Gift is held on a grass track at West Park Oval in Burnie. A sprint event, the Burnie Gift is conducted over the traditional 'Gift' distance of 120 metres. Prior to 1973 the distance was 130 yards. The Women's Gift was introduced in 1995, although it was known for the first few years as the Women's 120m Handicap.

Dean Capobianco (1991) was the first athlete to win the race off scratch (running the full 120 metres). Joshua Ross (2004 and 2007) is the only man to have won the Gift twice off the scratch mark. Capobianco and Ross are the only national 100m champions to have won the Gift.

The Burnie Gift is one of the longest-running, continuous sporting events in the history of World Sport, and it actually predates the modern Olympics. For more than a century it has been one of Tasmania's most prestigious sporting events. For many years the carnival has been labelled: 'the best one-day sporting event in the world!'

The event reached its peak in the mid 1970's when more than 20,000 people attended the day and night sessions of the carnival at West Park on New Year's Day 1975. The town of Burnie, at the time, had a population of 17,000 people.

Cycling was added to the program in 1917, with the Burnie Wheel attracting some of the world's leading cyclists. The first Wheel Race was conducted on the same grass track as the Mile race. By 1919 West Park Oval had an asphalt cycling track.

For well over 30 years the Burnie Athletic Club held Band Contests at the New Year's Day Carnivals. Around 1931 the Band Contests were omitted from the program.

Wood Chopping was also added to the Carnival program in the 1920's and is still a major part of the Burnie New Year's Eve Carnival today. The 1928 Illustrated Tasmanian Mail has a picture of a Standing Wood Chopping event, the following year there is a picture of a Tree Felling Handicap event.

The 2017 New Year's Day Carnival celebrated 130 years from the commencement of the New Year's Day Carnival. It also celebrated 100 years of the Burnie Wheel and it was 40 years before that the now famous 1977 Burnie Wheel Race was won by Danny Clark.

The Burnie Gift and the Burnie Athletic Club are part of World Sporting History! The National Trust recognises the Burnie Athletics Club and Carnival as one of Tasmania's top ten heritage icons. We have a great memorabilia display open to the public in the Clubrooms under the grandstand.

TO COMPETITORS, TRAINERS & PATRONS

The Burnie Athletic Club Inc mindful of the continuing presence of Covid 19 in our community. Your safety is important, and we therefore ask that at all times you practice personal cleanliness and hygiene. Hand sanitizing stations are provided, and we encourage their use throughout the day. Thank you for your cooperation.

The Burnie Athletic Club Inc does not guarantee that the tracks on which competitors compete are safe for any such purpose. The said Club will not be liable for any accident that may happen whether arising from any defect in any one of the tracks or from, by or through the negligence of the Club, its officials or servants, or from any cause whatsoever. The Club reserves the right to refuse the nomination of any competitor.

Competitors and trainers who are not engaged in any event must not remain within the arena.

No refunds to competitors.

The Rules and Regulations of the TAL, AusCycling and TAA will be strictly adhered to.

The Committee intends starting every event punctually, so competitors are warned to be on their marks to time, otherwise the event will be started without them.

Riders, and/or pedestrians appearing without numbers may be subject to disqualification.

Cycling entry fees cannot be refunded under any circumstances.

Cyclists, please note the following:

Silver fence marks are for 1000 metre events.

Blue fence marks are for 2000 metre events.

Green fence marks are for 3000 metre events.
