COOL RIDGE BURNIE
NEW YEAR'S EVE CARNIVAL

The Burnie Athletic Club would like to sincerely thank our following corporate partners for their support of the 2022 New Year's Eve Carnival.

On behalf of the Committee and Members of the Burnie Athletic Club (BAC) we welcome all of you to the 136th Cool Ridge Burnie New Year's Eve Carnival. Through yet another year dealing with Covid the BAC has continued to progress and cemented our key events being the Burnie NYE Carnival, the 321 Go kids race and the Burnie 10 in conjunction with Epic Events & Marketing.

Today's carnival mixes the best of 136 years of tradition with exciting high performance track cycling, athletics and woodchopping. We are blessed with Olympic and Commonwealth medallists, World champions and a host of high performance competitors representing Czech Republic, Netherlands, USA, Canada, Singapore, Malaysia, Austria, Germany, New Zealand and all Australia States and of course our home grown Tasmanian heroes.

This carnival would not be possible without our loyal corporate partners who have continued to demonstrate their strong commitment. Cool Ridge, William Adams, Elphinstone Group, United Forklifts & Access Solutions, Stubbs Constructions, Direct Edge and SERS Sheetmetal & Roofing remain our long term Major Corporate Partners. We announce with excitement adding Gatorade as an international brand partner. Gatorade's support of the Burnie Mile promises so much with the showdown between the two big stars of Australian middle distance athletics in Stewart McSweyn and Ollie Hoare.

In all we have 30+ corporate partners committed to supporting the carnival which is testament to their understanding of what it takes to build sustainable NFP community events. Of interest BAC now attracts 42% of its financial corporate support from outside of Tasmania which we believe is testament to the BAC brand and the exposure this now brings.

We are also pleased to report progress with AusCycling now formulating an Event Classification Framework. BAC has been instrumental in driving this process which in turns recognises the importance of Tas Carnivals and Burnie Carnival in particular to the development of Australian Track Cycling participation and growth.

BAC recognises and says thanks to the substantial support of the New Year's Eve program given by:

- Tasmanian State Government through Events Tasmania
- Tasmanian Carnivals
- Richard Welsh, Epic Events & Marketing
- Tasmanian Axemen's Association officials and volunteers
- AusCycling officials and volunteers
- Tasmanian Athletic League officials and volunteers
- Burnie City Council
- All of our dedicated volunteers

We extend a very warm welcome to our competitors and their support staff. We wish you all the best of luck and trust that when you leave you have fond memories of our sporting heritage. Lastly, to the spectators and patrons we thank you for your show of support and trust that you have been excited by the day's entertainment

Sports Carnivals Association of Tasmania TasCarnivals Series
Program of events 2022-23

Foreword by the Honourable Nic Street, Minister for Sport and Recreation, Minister for Hospitality and Events, Minister for Community Services and Development, and Minister for Local Government

It is a pleasure to welcome you to the Sports Carnivals Association of Tasmania's TasCarnivals Series.

This year's summer Series, featuring eight action-packed days of elite athletics, cycling, rock drilling and woodchopping events, is a great celebration of the rich traditions of Tasmanian sport. The Series will showcase some of Australia's best talent in cycling, the track, woodchopping and rock drilling.

It is always great to hear so many of the athletes who have participated in the Series over its long history speak with such affection for the events and acknowledge the importance of their Carnival experiences in assisting their development as an athlete and contributing to their success interstate and internationally throughout their careers. It is always a pleasure to see young Tasmanians pursuing their sporting ambitions and seeing them succeed in National and International competitions.

The TasCarnivals event calendar is unique in its design, offering exciting sporting events in Hobart, Launceston, Burnie, Devonport, St Helens, and Rosebery. The Series provides a great chance to see all that Tasmania has to offer and support local businesses and communities as the event makes its way across the state.

Tasmania has a very proud tradition of volunteering, and the longevity of the TasCarnival Series is a testament to the dedication and skills of the many people involved in planning, preparing, and officiating the events. Without the work of volunteers, the event would not be possible, and I want to thank the volunteers whose hard work and passion make the Series happen each year.

The Tasmanian Government is committed to ensuring the continuation of significant sporting events across the state, and our funding support to the Sports Carnivals Association of Tasmania to further develop the Series is an important part of this commitment.

I wish all competitors the best of luck and encourage all Tasmanians to support and enjoy the TasCarnivals Series.

Nic Street MP
Minister for Sport and Recreation

History of the Burnie Athletic Club, Burnie Gift and the New Year Sports Carnival

The Burnie Athletic Club organised its first carnival on the South Burnie ground on New Year's Day 1887 when Burnie's population was about 1,000 and for the first couple of years continued with a picnic entertainment programme.

The first 130 yard Sheffield Handicap, the event that became the Burnie Gift and the blue – ribbon event in Tasmania, was staged in 1889.

In 1915 the Burnie Athletic Club moved to West Park and hosted the 1915 New Year's Day Sports Carnival. The Gift is held on a grass track at West Park Oval in Burnie. A sprint event, the Burnie Gift is conducted over the traditional 'Gift' distance of 120 metres. Prior to 1973 the distance was 130 yards. The Women's Gift was introduced in 1995, although it was known for the first few years as the Women's 120m Handicap.

Dean Capobianco (1991) was the first athlete to win the race off scratch (running the full 120 metres). Joshua Ross (2004 and 2007) is the only man to have won the Gift twice off the scratch mark. Capobianco and Ross are the only national 100m champions to have won the Gift.

The Burnie Gift is one of the longest-running, continuous sporting events in the history of World Sport, and it actually predates the modern Olympics. For more than a century it has been one of Tasmania's most prestigious sporting events. For many years the carnival has been labelled: 'the best one-day sporting event in the world!'

The event reached its peak in the mid 1970's when more than 20,000 people attended the day and night sessions of the carnival at West Park on New Year's Day 1975. The town of Burnie, at the time, had a population of 17,000 people.

Cycling was added to the program in 1917, with the Burnie Wheel attracting some of the world's leading cyclists. The first Wheel Race was conducted on the same grass track as the Mile race. By 1919 West Park Oval had an asphalt cycling track.

For well over 30 years the Burnie Athletic Club held Band Contests at the New Year's Day Carnivals. Around 1931 the Band Contests were omitted from the program.

Wood Chopping was also added to the Carnival program in the 1920's and is still a major part of the Burnie New Year's Eve Carnival today. The 1928 Illustrated Tasmanian Mail has a picture of a Standing Wood Chopping event, the following year there is a picture of a Tree Felling Handicap event.

The 2017 New Year's Day Carnival celebrated 130 years from the commencement of the New Year's Day Carnival. It also celebrated 100 years of the Burnie Wheel and it was 40 years before that the now famous 1977 Burnie Wheel Race was won by Danny Clark.

The Burnie Gift and the Burnie Athletic Club are part of World Sporting History! The National Trust recognises the Burnie Athletics Club and Carnival as one of Tasmania's top ten heritage icons. We have a great memorabilia display open to the public in the Clubrooms under the grandstand.
