Media Release

HCi 321-Go Kids' Race Sunday November 7th 2021

The Burnie Athletic Club (BAC) is proud to announce Health Care Insurance (HCi) will, for the 10th consecutive year, be naming rights sponsor, of the "321-Go Kids' Race".

BAC welcomed the continued support of HCi as the continuing naming sponsor for the 2021 event at West Park Oval in Burnie. This year's event will be held on Sunday November 7th with the main races from 11am onwards.

Club President Gary Munro said that the relationship with HCi was a very positive one and helped provide BAC with the confidence to step up and operate the 2021 event after Burnie Council decided to outsource this and other events. "321-Go Kids' Race has been a very popular event in Burnie and attracts families from all along the NW region. It is a great sight to see the enthusiasm and colour on the day as hundreds of kids run for fun and sometimes glory."

HCi's Chief Executive Officer, Michelle Wade, said "HCi has been part of the Burnie community since 1938, and we've supported this event for the last decade. With the council passing the baton to the Burnie Athletic Club, we're delighted to be able to support the BAC

in continuing this wonderful event in 2021. We encourage young people from Burnie and surrounds to get involved, in what is a great event promoting healthy and active lives.”

The HCl 321-Go Kids' Race caters to boys and girls races for the age groups of 7 and under, 10 and under and 13 and under, over distances from 1 to 3 kms. The Intersport Lap for Littlies will be on before the main races.

The cost is \$18 per entrant and \$50 for a family of 3 or more and entries can be made online via www.321go.com.au .

Entries are now open for the 2021 321-Go Kid's Race

About HCl

HCl is Burnie's own private health insurance provider, and is also Tasmania's oldest private health insurer. We've been providing great value for money and high quality personalised service since 1938.

As a not-for-profit private health insurer, we're for people, not for profits.
